SHIPPING POLICY

Genco Ciclismo currently ships within the European Union only. Orders are arranged by email so shipping is quoted accurately for your address before any payment is requested.

HOW TO ORDER

To place an order, please email us with the items you wish to purchase. We will then calculate the shipping costs based on your delivery address and provide you with a quotation before payment is requested.

Once you have accepted the quotation, we will issue your invoice and arrange shipment following receipt of payment.

OUTSIDE THE EU

If you require delivery outside the European Union, please contact us before placing your order. International shipping may be available on request, subject to a separate shipping quotation and any applicable customs duties or import taxes, which are the responsibility of the customer.
